

When you treat your guests like high rollers,
they spend like high rollers.

Mentioned it's their 20th anniversary
at booking. Offer reduced rate on
scenic-view suite at check-in.

Bought \$700 worth of haute couture
last visit. Invite her to a private trunk
show during his golf outing.

Reserved romantic VIP dinner. Suggest premium
champagne from the year they were married.

Agilysys open standards solutions provide you with unmatched insight about your casino guests, so you and your staff can create an unforgettable customer experience. Control every aspect of your operations including booking, check-in, shows and more. Collect data in real time—from food selections and entertainment preferences, to gift shop purchases and spa favorites—and use it to enhance each visitor's experience. Reduce wait times in restaurants and boutiques to quickly get your players back on the gaming floor. Plus, seamlessly integrate our solutions with existing systems and share information property wide. It's the insight you need to create loyal customers and a more profitable casino. **Find out what Agilysys can do for you.** Call **1-877-374-4783** or e-mail hsgsales@agilysys.com **www.agilysys.com/hospitality** Attending NIGA?
