

CLASS II GAMING

IT'S WHAT WE DO

The experts of Class II. That's Multimedia Games. For nearly 20 years, we've combined innovation and cutting-edge technology to create some of the most popular Class II games. And that's just the beginning. We recently released a wide array of new titles to attract players and build your bottom line. From Pirate's Luck and Secrets of Arabia, to Spin Ups and Smokin' Hot Devils – the list keeps growing and the excitement keeps building.
