

## ahead of the **game**

At GLI, we're ahead of the game. We're ready for the future of the global gaming industry with more capacity than any other lab. Only GLI has more than 750 employees working in 20 lab locations on 6 continents, and all with 24/7 service. That means we have more capacity than any other gaming test lab, and more ability to serve land-based, lottery and iGaming regulators, suppliers and operators swiftly and completely. So dream, imagine, invent. We're ready for you. Call us today and discover the GLI difference.
