

**Potawatomi Bingo Casino Donates Luggage to Legal Aid Society**

Tom Cannon, Executive Director of the Legal Aid Society of Milwaukee, thanks Kimberly Skenandore of Potawatomi Bingo Casino for the donation of nearly 100 pieces of luggage that will benefit children in the Milwaukee County foster care system.

Almost 100 foster children from Milwaukee County will be presented with luggage after Potawatomi Bingo Casino held a

team member drive to collect duffel bags, backpacks and suitcases.

The luggage collected was given to the Legal Aid Society of Milwaukee – a 2008 Miracle on Canal Street charity providing free legal service to thousands of the most vulnerable area residents, including abused and neglected children.

“Our team members rose to the occasion, and showed just how much they care about the children in our community,” Potawatomi Bingo Casino General Manager Mike Goodrich said. “This shows the tangible impact Miracle on Canal Street has on south-eastern Wisconsin.”

The donations will be distributed to area foster children who are often transferred from home to home without anything to pack their belongings in.

“The Potawatomi Bingo Casino/Legal Aid Society partnership will provide an important sense of personal dignity to children whose lives have gotten off to a very rough start,” said Tom Cannon, Executive Director of the Legal Aid Society.

Potawatomi Bingo Casino has worked closely with its Miracle on Canal Street charities over the past year. Some of these efforts include baking Christmas cookies for area senior citizens, chaperoning at teen dances and reading to children. ♣
