*Many Nations, One Common Goal . . .*

## Sovereign Nations Scholarship Fund

*"Our concern is for all of Indian Country  
– not just our own tribe or the tribes that  
do well for themselves. Having a qualified  
Indian workforce in the next century is  
going to be important for all tribes in  
maintaining their sovereignty."*

— Stanley Crooks, Chairman  
Shakopee Mdewakanton  
Sioux Community

The Sovereign Nations Scholarship Fund was launched in 2001 with a challenge grant of \$900,000 from the Shakopee Mdewakanton Sioux Community of Minnesota. We are asking other tribes to contribute until the fund totals \$10 million.

By establishing the Fund, we hope to build an endowment that will help meet the higher education needs in Indian Country for generations to come, resulting in higher employment rates, increased incomes and a better quality of life in our communities.
