

DON'T JUST MANAGE THE FLOOR, MANAGE THE EXPERIENCE.

UTILIZE APPLICATIONS, CONTROL MESSAGING, AND DIFFERENTIATE YOUR BRAND. IGT delivers server-based gaming solutions that give you unprecedented levels of control and flexibility over how you run your business. Now you can reach patrons with provocative player applications, deliver compelling game themes, deploy player-specific messaging, and schedule targeted amenity ads across your floor. Unlock the full potential of your casino with server-based gaming from IGT. Find out how at www.IGT.com/ItsGoTime

IT'S A WHOLE NEW GAME.
