

CardlessConnect™
Allows Your Player's
Smartphone to Become
Their Loyalty Card.

**Big Features
Tailored Just For You.**

Mobile Dashboard
Real-Time KPIs on
Your Device.

Mobile Host
Hosting in the
Palm of Your Hand.

Full Mobile Integration.

You need to be on top of the action, and IGT's suite of mobile offerings is there with you. We're putting the power of the industry's best feature set in the palm of your hand, and we're just getting started. Identify, register and card-in players directly at the EGM with a combination of Mobile Host and Cardless Connect. Maximize floor up-time with Mobile Responder, and stay on top of your most critical KPIs with Mobile Notifier and Mobile Dashboard wherever you are. Put your operations in the palm of your hand with IGT.

Call your IGT representative to experience how mobile can help your operation.
