The Player's Choice™ Series by Gasser Chair Company

When it comes to gaming, players don't have the choice of which cards are dealt or how the reels line up. But when it comes to the seating, Gasser offers a wide variety of models and options turning your possibilities into realities. Our Player's Choice™ Series is designed for maximum comfort and durability while offering signature craftsmanship, cutting edge technology and contemporary styling...No matter what your game of choice is.
